

OpenChain Japan Work Group meeting

Date: December 27th, 2017 (15:00-17:00)

Venue: Sony HQ, Creative Lounge

Overview:

(1) There are two primary areas Japanese companies would like to see expansion: inside Japan and in Taiwan/China.

(2) It is proposed to hold a workshop in Taipei and perhaps one in Shenzhen during the first half of 2018.

(3) It is proposed to continue Japan Work Group meetings to build relationships in Japan. It is recognized that using local languages is vital. At the same time, local activities should remain connected with the OpenChain project by sharing outcomes in English.

(4) It is expected that the OpenChain Director may also travel to discuss the project with companies in Japan and Taiwan/China.

(5) The Japanese member companies will support these goals.
